Monologue.

Student B

Winter has come, a wonderful year. It's time for the children to put on warm clothes and go out into the field to shoot snow and make snow. Winter is the climatic season when the air temperature is the lowest in every region. How fluffy white snow decorates the surroundings. Everyone is looking forward to this season.

Dialogue

John: I want to play his ball.

Mother: My son has done nothing wrong, take a walk with the dog Alexei and go to the field. Suddenly he finds a catfish under a willow and carries it to his mother.

John: My mom said I found a catfish in a willow pipe while I was walking.

Mother: Whose bag is this for grandfather, I found the address at work, my mother called this number.

Mother: Found a cutfish The owner of the bag: the addressee took the bag from him and replaced it with a silak adimui jong dop akelib berdi jonyr suanyshunda shen ior.

John: Thank you very much ~~for~~

Bag memory: you!
